Contains: 90 Capsules

Product #: 7815

NDC: 55146-07815

Chondrosamine Plus - comprehensive chondro-support formulation for connective tissue, like cartilage found in joints. These tissues require adequate supplies of important nutrient building blocks to maintain their integrity. This is especially true following injury, or for those having unwanted chronic conditions affecting their joints. Supplies glucosamine (as hydrochloride) with purified chondroitin sulfates and an array of important synergist including vitamins, minerals, MSM, and the antioxidant enzymes SOD and catalase.
