Product #: 1207; 1201; 1202

NDC: 55146-01207; 55146-01201; 55146-01202

Intenzyme Forte - a broad spectrum proteolytic enzyme formulation that supports the numerous protein metabolism pathways. Proteolytic enzymes are capable of exerting influence over a variety of physiological and biochemical processes. Benefits of Intenzyme Forte include its effect on muscle soreness and discomfort due to overexertion, the support of hormone processing, as well as providing support for healthy digestive, immune and circulatory function.
